

Dear Friends,

We are proud to announce that we will be the recipient of the 2009 “Corporate Citizens of the Year Award” from the Mental Health Association of Nassau County (MHA) at the *Miracle Makers Ball* on Thursday, November 12, 2009 at the Garden City Hotel. Fellow honorees are “Outstanding Leadership Award” recipient, Dr. Sean A. Fanelli, President Nassau Community College and Lance Levy, MHA Board of Directors, will be recognized with the “Susan Weshler Award for Distinguished Service.”

Funds raised at the ***Miracle Makers Ball*** benefit the life saving programs of the MHA. By helping us support the MHA, you will play a vital role in helping adults and children with psychiatric disabilities. The MHA is dedicated to improving mental health through advocacy, education and the delivery of direct services.

Are you aware that one in five people will experience a mental illness? That is why it is so important to ensure that quality mental health care is available to all those who seek it. The MHA is proud of the 28 programs it operates. For over 50 years these programs have included initiatives such as Long Island’s first permanent housing apartment complex for adults with mental illnesses, housing for homeless families with a mentally ill member and a children’s respite program for families with an emotionally disturbed child. The MHA provides a voice for those who cannot speak for themselves.

A portion of the proceeds will also fund the ***College Bound Program***. This program provides adults with psychiatric disabilities an opportunity to take college level courses and obtain college credits within a supportive environment. The program offers participants an experience that may help toward future accomplishments, such as furthering their education or future employment. To learn more about the MHA and the College Bound Program, visit www.mhanc.org.

Please find the attached form detailing various levels of support. We thank you in advance for your consideration and generosity. If you have any questions, please don’t hesitate to contact any of us or Tracey Gittere at Legendary Events, Inc., 516-222-0550, TGittere@LegendaryEvents.net.

Sincerely,
